About Super Diski FC:

Super Diski FC is not just football—ke diski. It's a high-energy arcade sports action game where physics, timing, and creative precision collide. Players tap, charge, and launch the ball through increasingly tricky arenas filled with bounce walls, launch pads, moving platforms, and energy barriers. You can even tap directly on the ball to volley it into the air, opening bold new ways to beat the level.

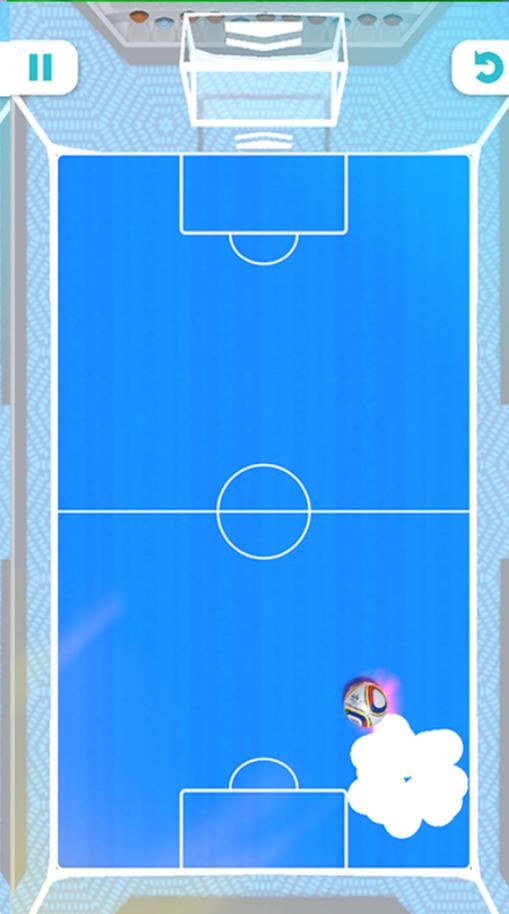

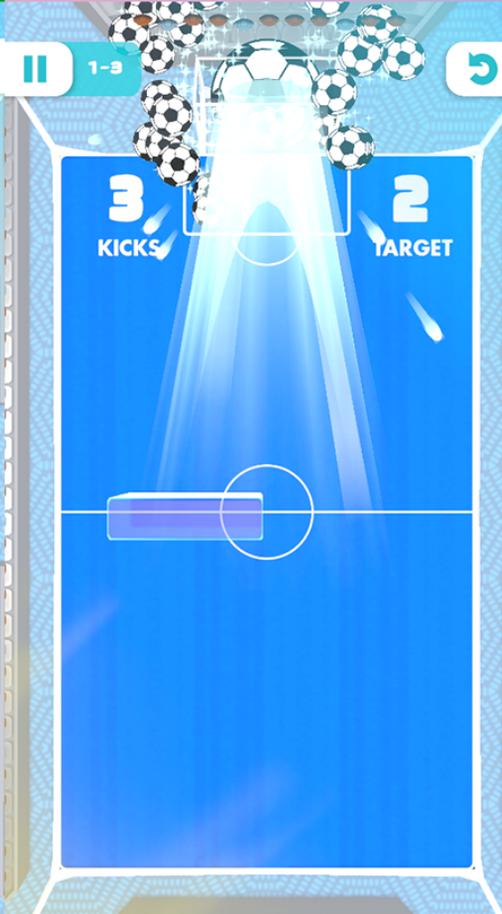

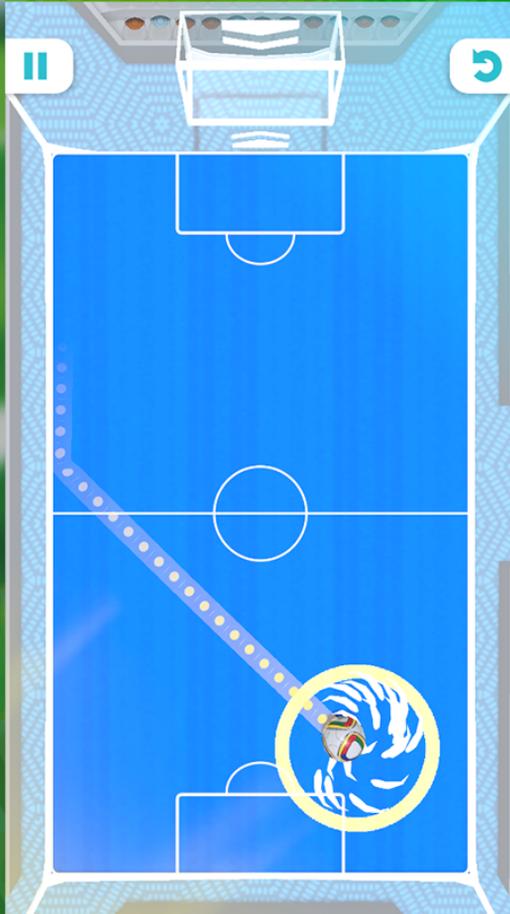

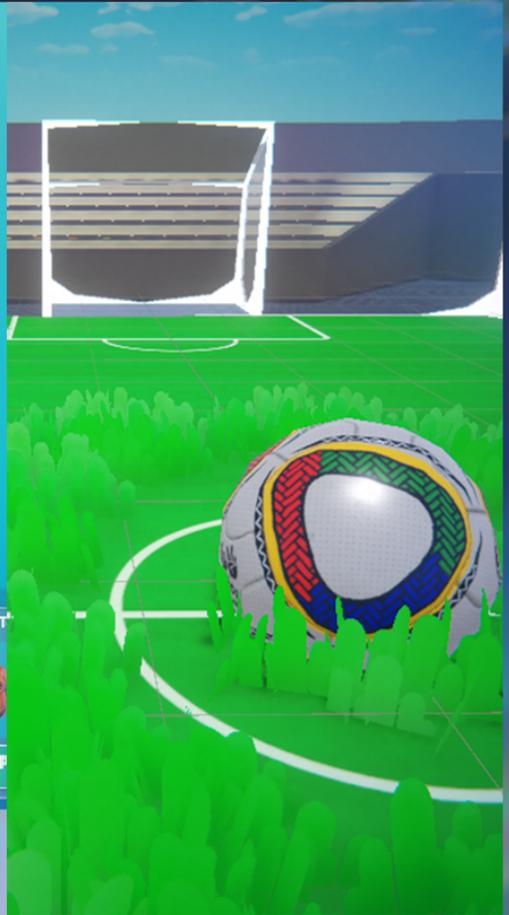

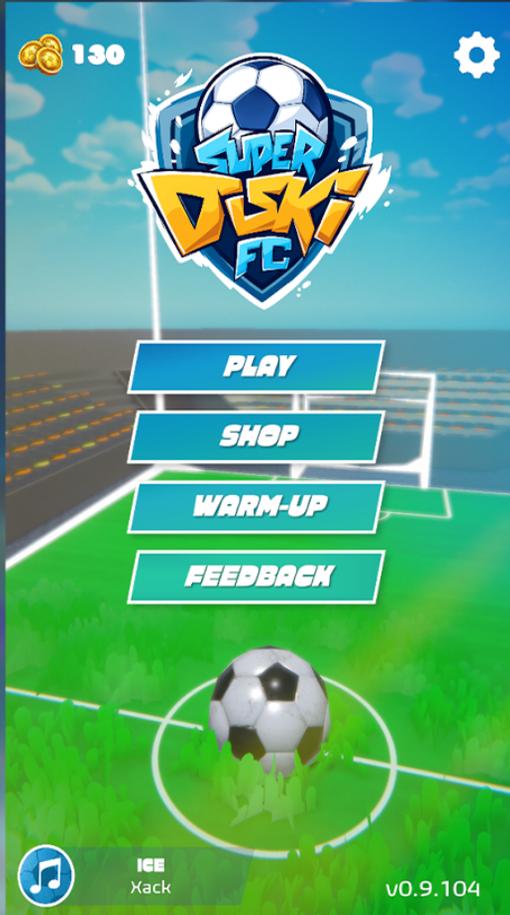

Built with mobile-first design and a sleek, African-futuristic aesthetic, Super Diski FC delivers sharp, bite-sized challenges with a uniquely South African flavour. From customisable stadium skins to stylish ball trails, every goal is more than a win—it's a flex.

Key Features:

Tap–Hold–Release: Charge an impulse zone and release to launch the ball.

- **Tap to Volley:** Tap directly on the ball mid-level to pop it into the air, helping bypass obstacles or trigger trick shots.
- **Navigate Obstacles:** Use physics and timing to overcome energy walls, bounce zones, and dynamic moving platforms.
- **Earn Stars:** Each level can award up to 3 stars—one for scoring, one for kick efficiency, and one for collecting the in-level star.
- **Unlock Rewards:** Stars and daily challenge completions earn in-game currency to spend on cosmetics.
- **Replay for Mastery:** Improve your score, complete daily challenges, and try alternate solutions using volleys or trick shots.
